PURPOSE OF OCA/YMCA YOUTH SPORTS: To provide an opportunity for all OCA students a chance to play together as a team in accordance with the philosophy of the YMCA's **recreational** Youth Sports program. To put Christian principles into practice through programs that build a healthy body, mind, and spirit for all. Everyone plays at least 1/2 of every game, there will be an emphasis of participation, teamwork & fair play. With the YMCA & the OCA/YMCA Youth Sports programs, winning is not emphasized at the recreational level. There are other leagues that provide a competitive atmosphere for the competitive player. You must provide own medical insurance & personal equipment as needed. (In soccer, shin guards are needed and in Volleyball kneepads are recommended.)

COACHES: There must be a volunteer coach for every team! Sports specific knowledge is helpful to be a coach, but not mandatory, enjoying children & wanting to teach & **be a positive role model** are the most important qualifications. He must be able to hold practices once a week. A Code of Conduct Form will need to be signed.
