

MAGAZINE SALES UPDATE

Well, it has been a roller coaster two weeks with magazine sales! A very slow start the first couple turn-in days. (270 versus 1217 sales the year before), but it picked up with 1200 sales, then another 480 on the last turn-in day. The last turn-in day seemed to catch people off guard, so the sale was extended through Friday, in hopes to pick up the 400 more sales. We picked up another 150 sales finishing with approx 2100 sales. It was short of our goal of 2373, but we should still be able to bring in the \$15,000 that our budget has allotted for the magazine sales income, thus being a success in that regard! Thank you for making the magazine sales a good profit maker for the school! Watch the News & Notes for the final numbers! Below is the list of kids that qualified for the LimoBus/Lunch and the Cosmic Bowling lunch. If you feel that your child should be on this list (trying to keep up with siblings and kids with different names, is sometimes difficult) let the office know. The 1st through 6th grades qualified for doughnuts! (Meeting their goal!) The doughnut day and the LimoBus/Lunch and Cosmic Bowling days have not been set yet. Watch the News & Notes for further updates. Again thanks for selling magazines to benefit OCA!
