SUMMER ISSUE 1

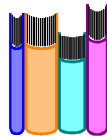

## ADMINISTRATOR'S COMMENTS

 Blessings! The summer is upon us and I'm sure with children out of school, your summer routine is in place. The Board had its last meeting of the fiscal year last night. At that meeting two significant things took place. One was the election of officers for the coming year. Keith Strasser will be the new Board president. Steve White is the vice president, John Jay will be the treasurer, and Mike Olsen is the secretary. The other significant occurrence was the departure of two of the other Board members. Linda Meyers has served on the Board since my involvement with OCA first started. We have appreciated her timely manner in getting out the minutes of the Board meetings as secretary, and her input in development matters. Ed Schroeder is also leaving the Board. There are many of you who probably have difficulty of thinking of OCA without Ed's involvement. He was a diligent manager of our finances and certainly respected for his work in that area. Starting in July, we press on, with new leadership in the executive committee. Please be in prayer for these gentlemen as they lead in setting policy and in looking for the future home of OCA. A reminder that there is a meeting set for Thursday night at 7:00, for parents who are interested in having the Stanford Achievement Test explained. Bring the results for your children and we will talk about what you can know, and what you can not know from the results of this test.

Be in prayer about the teachers that we still need to replace. At this point, we have hired the Bible teacher and an art teacher. Math and Spanish teachers are difficult to find, pray that the Lord will bring those to our attention that will continue the fine program that has been established at this school.

Our Spiritual theme for the coming year comes from a very familiar passage, "Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths" Proverbs 3: 5, 6. Our theme comes from verse 6, "In all your ways acknowledge Him."

It is good for us as a school to acknowledge God in all that we do, probably even better to acknowledge Him before we do anything. If we recognize God, give His presence an audience in our life and decisions, He will direct our paths. Let us keep Him in front of all that we do.

... Your Help is Needed!

The library is in the process of barcoding all the books in the library so that this fall we will have an automated library system and have a library system to better serve our students and teachers. One of the many tasks to make this happen is to put a barcode on each of the over 17,000 books we have!
