## NEWS & NOTES

ISSUE 38

### ADMINISTRATOR'S COMMENTS

Blessings! The year is down to but one week. Obviously, the seniors and the elementary are no longer in school and fifth through eleventh remain. It has been a year like most years, with several ups and downs, joys and frustrations. Athletically, our students worked hard, and performed well. You always appreciate the constant effort demonstrated on the field, the court, and the track. In the arts, our students have performed very well in speech and drama, and I enjoyed the opportunity to see them do some Shakespeare rather than just study him. Musically, Mr. Nilius continues to receive nothing but superior ratings for his choir and in my four years at OCA, the band has never been better. Academically our students have done very well. Our senior class represents this extremely well with the amount of scholarships they have received. Eighteen of our graduating class of thirty students have received scholarships. Many of those scholarships are extremely prestigious awards, coming from the University of Nebraska at Omaha, Creighton, Peru State, Grace University, Dordt College, and Liberty just to name a few. As I have mentioned in the past, Omaha Christian Academy does not need to be shy about the academic achievement of its students. We congratulate the young men and women who have earned these awards, and congratulate the teachers who have instructed, encouraged, and supported them. May our seniors continue to acknowledge God in all they do as they move on to future endeavors.

### BOOSTER CLUB SCHOLARSHIPS

Congratulations to this year's winners of the Booster Club Scholarships! Aaron Nilius, Brian Jay, Katilyn Kotchka, and Tabitha Hamilton will each receive \$300 payable to the college of their choice. Booster Club appreciates their involvement in school activities.
