GROUND BREAKING CEREMONY

It is a distinct honor to announce an important event in the life of Omaha Christian Academy. On Wednesday, July 2nd at 11:00 am we are hosting a Ground Breaking Ceremony at the location of our new school facility - 10244 Wiesman Drive in northwest Omaha. Along with the ground breaking, those in attendance will have an opportunity to see progress in the remodeling of the existing building.

This is a key time in the history of Omaha Christian Academy. For the first time in its 35 year history OCA will own its own facility! Further, this move means new and exciting opportunities to minister to current school families as well as exciting prospects to reach out to new families.

Please come see what the Lord has done in our midst!
